Total:	572	55	160	282	714	175	1958

Asilomar Live Release Rate: 100% of the healthy and treatable animals were live released from Panhandle Animal Shelter. 3.58% of the dogs and cats entering our facility in 2017 were unhealthy and untreatable and either died or were euthanized.

The Asilomar Live Release Rate formula used was Live Outcomes divided by All Outcomes (minus Unhealthy/Untreatable). We do not perform owner requested euthanasia services.
