## Canine – Owner Surrender Questionnaire

This questionnaire is designed to help BTAA place your dog. Please fill out this form to the best of your ability. Your answers will help us get to know your dog and give us some background information. This will ensure that we are able to place in a new home that is best matched with his/her personality and needs.

BTAA asks for a surrender fee of \$100 per dog. This fee helps offset costs related to animal care, veterinary care and food.

### **POLICY STATEMENT – PLEASE READ CAREFULLY**

By releasing your dog to BTAA you are turning over ownership and all rights to this animal. Once the dog has been surrendered, BTAA will evaluate the animal and determine its adoptability. BTAA is a “No-Kill” animal care facility but there are times when an animal in our care is deemed unadoptable and will then be considered for euthanasia. Reasons an animal would be considered unadoptable are as follows:

- An animal shows signs of aggression and/or unpredictable behavior where if released through adoption poses a safety risk to our community and their pets.
- Animals that show or develop signs of untreatable disease, injury, congenital or hereditary condition that negatively impact the health of the animal or that is likely to adversely affect the animal's health in the future.

My signature below certifies that to the best of my knowledge I have disclosed all information about the animal concerning health, behavior, history, and anything else that may affect the safe placement of the animal in a new home, and that all statements made above are true and correct.
